3rd Year Chad Mercer
4th Year Isaac Thompson & Ken Dickerson

Apprenticeship Dinner and Awards Banquet

This may be old news, but you missed a great time if you didn't go to this years Educational Training Fund's 2004 Graduation and Awards Banquet! Hundreds attended the dressy affair held in downtown Seattle at the beautiful Red Lion Hotel on Fifth Avenue. The event packed them in as never before and was such a classy event, it left some of our Industry Partners and state representatives amazed and giving kudos to the IEC of Washington!

This was no ordinary graduation with long boring speeches! The key note speaker was the funniest comedian ever who kept people rolling in the aisles.

Two Puget Sound WA chapter sponsors of this successful event were chapter members Ahearn Electric and McMullen Electric! Great job Training Director Jolie Estes, and all of the office staff of the ETF of Washington! And congratulations to all of the graduates and award winners!

"The most important part of TACT is the part left unsaid"
